## Boy Scouts.

Troop 1 of the Boy Scouts held its regular meeting at the school house Thursday night and two new members passed the Tenderfoot test. Those who passed the last test are Arley Shields and Kenneth Hocker, both of Fox Patrol. Most of the boys have passed the tests now and with a little more drilling all will pass.

## Chamberlain's Cough Remedy a Favorite for Colds.

J. L. Easley, Macon, Ill., in speaking of Chamberlain's Cough Remedy says, "During the past fifteen years it has been my sister's favorite medicine for colds on the lungs. I myself have taken it a number of times when suffering with a cold and it always relieved me promptly."

## In the Schools.

The Eighth grade had a picnic out at the mouth Thursday afternoon. The chief purpose of the hike was to view the old fort Blair, where Gen. Blunt and his troops were massacred. While playing in the boats three of the girls took a swimming lesson that proved to be a cool one. It was not the intention of the girls to take this lesson, we may add, and we are also glad to state that no illness resulted from these somewhat early in the year plunges. Weiners and apples roasted over a camp fire were the refreshments.

The Junior class is indebted to Manager Ed Byram and Mr. King, salesman, of the Commerce Motor & Supply company for a ride to Joplin Thursday with the Baxter good roads boosters. The class rode in a big new Studebaker which the pupils decorated gorgeously for the occasion. At Joplin the young people learned a lot about roads. The Freshman class was also in the procession and did a lot of boosting. The High school adjourned so the pupils could go.

Clifford Hardy is back in school after an illness.

Base ball practice is now on in earnest. A team will be organized this week and Baxter will be shown some good playing.

## ALL TIRED OUT

Hundreds More in Baxter Springs in the Same Plight

Tired all the time;  
Weary and worn out night and day;

Back aches; head aches,  
Your kidneys are probably weakened.

You should help them at their work.  
Let one who knows tell you how.

Mrs. Eliza Maynard, 507 S. Santa Fe St., Chanute, Kans., says: "My kidneys were badly disordered and I suffered from pains in my back, particularly when I was stooping or lifting anything. I had a tired, drowsy feeling, was restless and many nights kept turning from one side to the other, hardly lying still one second. I had pains in the back of my head and dizzy spells, when black spots came before my eyes. I used three boxes of Doan's Kidney Pills and they gave me relief."

## Year's Program Finished.

The semi-annual banquet on Wednesday in the home of Mrs. R. C. Wear brought the yearly program of "As You Like It" club to a close. An elaborate menu was in order and a splendid talk on foreign travels given by Mrs. Brinton who has returned from India. Mr. Brinton is connected with the Admiralty mines.

The As You Like It Club is one of the oldest organizations of its kind in Baxter Springs. Aside from its local activities it annually sends a sum of money to the Girls' Industrial School at Beloit, Kan., for a scholarship fund.

The program of the club has been varied and instructive as well as informative. Out of its eighteen members only two have been unable to appear on its list and these because of special reasons. One was a school teacher and that made it impossible for her to take active part and the other one was only admitted into the membership of the club recently.

The purpose of the club is literary, but at the same time it does not forget the social side of life.

The following interesting subjects were discussed by the different members this last club year: "Conservation of different things," "Interesting people," "Religion and Social Service," "Biographies of Musicians and Selections from Each," "Child Labor Laws," "Foreign Countries," "Kansas Women in Literature," "Synopsis of Famous Operas," "Interesting Characters of the War," "Domestic Science," "Book Reviews," "Current Events," "Interesting Facts," "Miscellaneous," "Pottery," and "Scientific News."

The members of the club are: Mrs. Eastham, Mrs. R. C. Wear, Mrs. J. H. Boswell, Mrs. L. L. Cardin, Mrs. R. M. Gilman, Mrs. E. D. Hodgkins, Mrs. A. R. Kane, Mrs. E. G. Polster, Mrs. M. E. Reddy, Mrs. Cramer, Mrs. L. M. Perkins, Mrs. John Grifffard, Mrs. Edwards, Mrs. Hiatt, Mrs. Kaltenbach, Mrs. Bilharz and Mrs. Simmons.

The club has recently become a member of the local Federation of the Women's Clubs and it hopes to be of greater service to the community than it has been heretofore.

Four of the Baxter high school girls gave a party at the home of one of its members, Miss Dorothy Smith, Friday night and a good time was enjoyed by the several who attended. Those who were present besides the hostess are Misses Dorothy Plumb, Dorothy Cook and Louise Covey all of the Big 4, Swanie Smith, Audrey Smith, Marie Pieper, Viola Schloeman, Helen Stoskopf, Helen Humphrey, Priscilla Wear and Messrs Russell Canaday, Russell Earls, Arley Shields, Burton Covey, Ralph Shultz and Cecil Dowdy. Delicious ice cream and cake were served. Rook was the chief amusement and the guests retired to their homes at a late hour.

Several Baxter people were present at a literary program given at the Willow Creek school house Friday afternoon after school. Miss Mabel Burr is the teacher at the school and the entertainment rendered showed her ability for managing. Those from Baxter who were present are Misses Dorris Swalley, Alma Ferris, Lulu Wene and Messrs Claude Parham and Clinton Clouse.
